

IN THE HOUSE OF REPRESENTATIVES

HOUSE JOINT MEMORIAL NO. 15

BY ENVIRONMENT, ENERGY AND TECHNOLOGY COMMITTEE

A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Sixty-eighth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, it is documented that federal agencies, military contractors, nongovernmental organizations, and private entities acting on behalf of or at the request of the federal government are engaging in geoengineering experiments, including but not limited to solar radiation modification, stratospheric aerosol injection, and other weather modification attempts by dispersing chemicals or particulates into the atmosphere, all without public knowledge or consent; and

WHEREAS, such activities involve substances such as aluminum oxide, barium, sulfur dioxide, or other compounds with unknown or unreported impacts on human health, livestock, crops, ecosystems, and weather stability being emitted into the atmosphere without public knowledge or consent; and

WHEREAS, such activities are currently allowed without oversight in Idaho's airspace; and

WHEREAS, under the Tenth Amendment to the United States Constitution, it is the constitutional duty of state government to safeguard public health, defend private property, protect agricultural integrity, and assert state sovereignty over activities conducted within its borders and above its skies; and

WHEREAS, the Idaho Department of Environmental Quality is charged with protecting the safety and quality of the state's air, water, and soil and must be empowered to investigate and stop unauthorized atmospheric contamination within Idaho's jurisdiction; and

WHEREAS, multiple states, including Tennessee and Florida, have now enacted legislation prohibiting geoengineering modifications, and dozens more are considering similar laws to preserve natural climate systems and ensure transparency in all atmospheric activity.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-eighth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature supports and urges the United States Congress passing legislation to: prohibit the intentional injection, dispersion, or release of chemical, biological, or radiological substances into the atmosphere for the purpose of weather modification, solar radiation modification, or environmental geoengineering without the express approval of the State of Idaho; ban the use of unmarked aircraft, drones, balloons, or space-based platforms to conduct geoengineering mod-

1 ifications over the State of Idaho; make such unauthorized acts a felony
2 offense, with substantial fines and criminal penalties per violation; en-
3 courage partnerships between the relevant federal law enforcement agencies,
4 Idaho Department of Environmental Quality, and relevant state law enforce-
5 ment entities to enforce such felonies; and formally reject any federal,
6 international, or foreign-sponsored geoengineering programs conducted over
7 Idaho airspace without full disclosure, state consent, and public trans-
8 parency.

9 BE IT FURTHER RESOLVED that the Idaho Legislature urges all elected
10 officials, agencies, and candidates to support legislation that preserves
11 Idaho's natural skies, defends individual and agricultural health, and as-
12 serts constitutional control over state airspace.

13 BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representa-
14 tives be, and she is hereby authorized and directed to forward a copy of this
15 Memorial to the President of the United States, the President of the Senate
16 and the Speaker of the House of Representatives of Congress, and the con-
17 gressional delegation representing the State of Idaho in the Congress of the
18 United States.
